# ROUNDBALL ROUNDUP

## PRESIDENT'S MESSAGE

Dear Coaches,

I hope this newsletter finds each of you well. 5,4,3,2,1..... How many important countdowns are there in a year? Let's see... We count down to the start of basketball season, we count down to the start of district play, we count down to the last district game and play-offs begin, we count down the days until the State Tournament, and we count down the days until Spring break. There are only two major events left for us, as coaches, to be counting down. They are the TABC Clinic May 20-22, and the last day of school! With two weeks and counting, don't forget to make plans to attend this year's clinic. It promises to be fantastic with a stellar line up of high school and collegiate coaches. Time is running out to pre-register and receive a free TABC t-shirt. The deadline to pre-register is May 7! I hope to see each of you at the clinic!!

Sincerely, Teresa Durham - TABC President

## JOEY WORLEY ELECTED AS TABC 2ND VICE PRESIDENT

Joey Worley the boy's coach at 3A Fairfield has been selected as TABC second vice-president by a vote of the membership. Joey has just completed his second year on the TABC board of directors. He will join the 2010-11 presidency after the May clinic, along with president J.D. Mayo and first vice-president Bob Wall. Teresa Durham will become the immediate past president. For a complete list of the outgoing board and the 2010-11 board, go to page 2 of this newsletter.

## TABC BOASTS AWESOME CLINIC LINE UP!

The annual convention and clinic in San Antonio May 20, 21, 22 has another awesome speaker line-up. All the college speakers participated in NCAA March Madness including three final four coaches. Heading the list is Duke long time assistant and former player **Steve Wojciechowski** ("Coach Wojo"). The Blue Devils were men's national champions. Coach Wojo will be the final speaker on Saturday at 1:00 p.m., while the clinic will tip off on Thursday at 3:00 p.m. with **Bob Huggins** whose West Virginia Mountaineers were in the men's final four. **Sherri Coale** also qualified her Oklahoma team for the national semi-finals and will speak right after Coach Huggins. **Larry Tidwell** has rebuilt the Lady Cardinal program and earned a March Madness invite for Lamar University's women for the first time in 19 years and the second in school history. Larry is a two time TABC board member, a former high school coach and will inform and entertain us. **Scott Drew** of Baylor was three minutes away from a final four berth and he will share the Bears elite eight success with our membership on Friday afternoon. **Bill Self** of Kansas is always a favorite with our membership and he will talk about Jayhawk basketball at 7:30 p.m. Thursday evening. **Aaron Johnston** of South Dakota State, **Connie Yori** of Nebraska and **Buzz Williams** of Marquette all had excellent seasons and will speak on Friday.

# TABC CLINIC LINEUP THE BEST EVER!

(Continued from page 1)

On Saturday morning we will hear from two high school panels that will each speak for 15 minutes, then field questions from those in attendance.

At 8:30 the panel is as follows:

- Jude Stanley** - Ponder - Ponder Basketball
- Skip Townsend** - Brock - Building an Adjustable Man to Man Defense
- Tony Wagner** - Estacado - Estacado Man to Man Defense
- Jeremy Williams** - Wall - Transition Offense

At 9:50 the panel will be:

- Tawni Angel** - Del Valle - Making Practice Competitive
- Ronnie Courtney** - F.B. Bush - Defensive Shell
- Candi Harvey** - Timberview - Building a Transition Offense
- Tony Mauldin** - Lakeview Centennial - Press Defense

On Thursday at 6:30 p.m. **Brett Ledbetter** will talk on basketball footwork and Friday morning **Ganon Baker** will give instruction on innovative player development. Both come to us well recommended by the Iowa, Indiana and Ohio state basketball associations and have spoken at clinics internationally.

As in the past, there are three financial sessions entitled "Know Your TRS Facts". These sessions are of great value to young coaches as well as those nearing retirement. **Jerald Reiner** will give counsel on investments and other preparations to supplement your TRS plan.

Friday morning the UIL will answer your questions on the coaching box, off-season league organization or any other areas you need clarification on.

For those who aren't attending the late all-star games on Friday, there will be an informal "Pass the Chalk" session where coaches can share information with each other. The TABC board will lead this opportunity to share with each other at the El Tropicano hotel.

## WHY YOUR PLAYER NOMINEE WASN'T SELECTED

Many members contact our office for an explanation of why their player, assistant or middle school coach wasn't chosen for an award. There are several reasons: 1) We have many players and coaches in our huge state and the competition is tough. Only twelve 5A all-star players are selected from the entire state and each region must be represented. Class AII only gets three all-stars and private schools have two. This is based on percentage of TABC memberships within each conference. 2) Many awards require nomination by either the coach or a committee. If it is left to the committee alone, some worthy recipients are missed. Please nominate and follow up to be sure it is received. 3) Many times an assistant or middle school coach was nominated and selected by the committee, but they are not a current member. Please make sure coaches that you nominate have renewed each year. If they aren't selected, nominate them again next year.

With almost 4,500 members, special recognition is difficult to attain, but when received, it is truly an honor. Thanks for all each of you do to support TABC. Let's make 2010-11 an even better year in every way!

## PLEASE RETURN YOUR TEX PREPS BASKETBALL QUESTIONNAIRE

Attention, coaches! By now you should have received a questionnaire from Tex Preps Basketball magazine for you to complete for the upcoming 2010-11 season. If you have not yet done so, please return your questionnaire as soon as possible to [rv@texprepsbasketball.com](mailto:rv@texprepsbasketball.com), by fax at 972-313-7122 or by mail to Tex Preps Basketball, P.O. Box 166132, Irving, TX 75016. Your participation is what makes the magazine the most thorough and complete in covering all the teams in the state! And if for some reason you have not received a questionnaire, write to R.V. Baugus at the above e-mail and we will rush one to you. Thank you for your help!

## DISTRICT PICKS 2010-11

It is time once again to look toward the 2010-11 season and tell us what is expected from your team and the rest of your district and class. Your input is needed whether you have a possible state champ or a young rebuilding squad. We also need to know if you are willing to serve on a committee as those assignments will be made over the summer and finalized at the board meeting in September. Don't be discouraged if you have been passed over in the past or you served in a minor responsibility and want to do more. With our growing membership numbers, we get more volunteers than we have jobs for. We will get to you if you are persistent. TABC thanks you in advance for your willingness to serve and your patience while you wait for the opportunity. Print out the District Picks form from our web site at: **[www.tabchoops.org](http://www.tabchoops.org)**

## MEMBERSHIP CARDS 2010-11

The plastic TABC membership card for 2010-11 will be mailed with your October newsletter. That will give us time to get all members who have changed schools to contact the TABC office with your new information. **PLEASE NOTE: When you pay for your membership, it goes with you if you change schools. If your school pays, the membership stays at the school.** There are no exceptions to this board directive. Therefore, if you change schools over the summer and your old school paid for your membership, you will need to re-join. Your membership at your old school will be taken over by your replacement or someone else at that school.

# REMINDER

**You will receive one more newsletter for the 2009-10 year in July. The first newsletter for 2010-11 will come in August. If you have already paid your membership dues for next year you are set (unless you change schools and your school paid for your membership - see above). If not, please renew before you forget so you will receive all TABC benefits including the coaches directory. It will come with your October newsletter and membership card. If you have any questions, please e-mail or call our office.**
